

2009 NDSBRC Approved Courses

All continuing education programs submitted for license renewal must have a provider number assigned. The provider number may be assigned by AARC, AAST, NDSRC, AMA, ALA, AHA, AASM, BRPT, ASET, etc.

If the program has not been given a provider number from one of the above mentioned organizations, the licensee must apply to the NDSBRC for a number. Those courses already approved by the NDSBRC are listed below:
